

GENERAL SERVICES ADMINISTRATION OASIS+ CONTRACT VEHICLE

One Acquisition Solution for Integrated Services Plus (OASIS+) is a suite of governmentwide, multi-award contracts designed to support federal agencies' procurement requirements for services-based solutions.

OASIS+ consists of six Indefinite Delivery, Indefinite Quantity (IDIQ) contracts, enabling federal clients to acquire innovative professional solutions from highly qualified contractors on a contract vehicle designed to be Best-in-Class (BIC): a government-wide designation that satisfies key criteria defined by the Office of Management and Budget (OMB) which allows contractors to offer an expanded variety of services. The OASIS+ IDIQ contracts build on the success of the OASIS and OASIS Small Business (OASIS SB) contracts, offering federal agencies access to highly qualified contractors for their comprehensive and complex professional services solutions worldwide.

Why Chevo is your OASIS+ Prime

Given the complexities of providing integrated professional services in today's environment, clients need a proven partner like **Chevo** that they can rely on to achieve their strategic and program goals. We are:

- » A proven Prime Contractor that successfully delivered similar services on 39 Prime Task Orders under the prior OASIS Contract vehicle
- » Successful service delivery as proven by our clients' CPAR ratings
- » Strong partnerships with small businesses in every socio-economic category and large businesses to help fulfill client's unique requirements and geographic locations
- » Consultants that are experts in their domains and are industry recognized
- » Usable by any Federal Government agency (Civilian, Defense, or National Security)
- » Experience in managing large teams with multiple subcontractors and diverse clients.
